The Artists' Network

The Artists' Network is a member-led and member-driven organization dedicated to teaching visual artists how to be better business people. What started as a local outdoor art exhibit in 1997 now has become the premiere organization for artists to learn from, and grow together. In 2018, we are celebrating our 20th anniversary.

Our members are artists, our staff are artists, and our Board of Directors are artists. Together, we decide what we do and how we do it. And we rely on our membership to direct the path we take. We depend on the membership, along with our volunteers, community partners and generous art-loving sponsors.

Independent artists must be, by their very nature, small business owners and entrepreneurs. They not only have to know how to produce fine art, they need to know how to promote themselves and run a fiscally responsible business. Our goal is to help our members develop skills to make them self-sustaining professional artists.

The Artists' Network Gallery

The gallery is an initiative of the Artists' Network to exhibit our members' art, other artists' work, and special shows that interest us and fit our mandate. The space is part of the Artists' Network administrative office where we plan our outdoor shows, Riverdale ArtWalk and ArtWalk in the Square, host our monthly seminars, and where our board and committees meet.

Toronto – Riverdale real estate developer Streetcar Developments built this studio space as part of the entire complex it is in, and offered it to us and our long term co-tenant the Riverdale BIA as a solution to our combined need for local space. As part of the community engagement concept, the office and gallery are situated inside Dark Horse Espresso Café, at the corner of Queen and Carroll Streets, one block east of the Don Valley.

The gallery is operated by volunteer members of the Artists' Network, with assistance from our office manager.
